The Department of Psychology at FIU is currently conducting a study on learning and social behavior in children (ages 3-6 years).

**WHO:** We are looking for children between the ages of **3 and 6** years who have **never** been diagnosed with a mental or behavioral disorder.

**WHAT:** Participants will spend about 1.5 hours completing behavioral tasks and questionnaires.

**WHERE:** This study will be conducted in the Brain and Behavioral Development Laboratory (BBDL) at Florida International University- Modesto A. Maidique Campus, 11200 SW 8th Street, Miami, Florida 33174, Deuxieme Maison (DM) Room 200A.

Families will receive a $25 Target Gift Card and a small toy for their child’s participation in the study.

Interested families can learn more information or schedule an appointment by calling 305-348-4947.
