PANTHERS PROJECT

Parents and Infants Together in Home-based Early Remote Services

ENGLISH AND SPANISH SPEAKERS WELCOME!

We are recruiting families with a child between the ages of 12-18 months to participate in a remote research study on early childhood behavior and development!

What does participation look like?

Remote research visits:

5 research visits with a possible total compensation of \$575

Remote services:

Random placement into two groups

**Infant Behavior
Program**

**Enhanced Pediatric
Primary Care**
