READING EXPLORERS

WE HIRE IN THE SUMMER

LEARN ABOUT OUR AVAILABLE SUMMER POSITIONS

TUTORS

Requirements: Florida teaching certification (preferred) and reading intervention experience

Tutors will support with student recruitment, provide 30- or 45-minute small group reading instruction to 8 groups (with no more than 5 children per group), assess individual student progress, communicate with parents, assist in parent engagement activities, keep detailed records and enter student data.

ASSESSMENT SPECIALISTS

Requirements: At least 1 yr. graduate level supervised assessment experience and field experience with children.

Assessment Specialists will be responsible for assessment, data entry, and data reporting for their assigned sites and includes supporting with student recruitment, coordinating and completing literacy screenings; generating score reports; coordinating parent notification of assessment results.

SUPERVISORS

Requirements: Preference placed on Certified Teachers or School/Clinical/Educational Psychology/Related Field advanced trainees, with field experience implementing reading or other academic interventions in school, after- school, or summer settings.

Supervisors are responsible for providing both group and individual supervision to tutors assigned to their regions, coordinating program recruitment of students, maintaining program record completion by region team, conducting program fidelity observations, conducting program assessments as needed, and helping to plan and conduct parent outreach and family engagement events for the sites in their region.

All positions require:
- a valid driver's license & reliable transportation
- available to work throughout the summer (based on MDCPS calendar dates)
- full time employment (8 hours per day, 40 hours per week, Monday-Friday)
